## INDIA - THE NEW HUB OF MEDICAL VALUE TRAVEL

- India has emerged as a major hub for world-class healthcare and wellness services.
- Combination of high skilled/trained doctors, affordable cost of treatment, international quality standards, advanced healthcare technologies with holistic health & wellness services has made India a popular destination of medical value travel.
- One of the rapidly growing industries in India, Medical value travel has grown exponentially in the past few years and the numbers are expected to grow monumentally in the coming years.

## POPULAR MEDICAL TREATMENTS IN INDIA

India has emerged as one of the popular destinations for the most demanded healthcare services worldwide which includes oncology, orthopaedic, neurology, cardiology, ophthalmology, elective surgery, fertility treatment, etc. Presence of qualified healthcare professionals is making India a world class healthcare destination at affordable cost. There are state of the art Hospitals in India which are recognised for providing quality treatment internationally.

## WELLNESS SERVICES IN INDIA

Apart from the modern mainstream medical treatment, India is popular in offering traditional Indian systems of medicine like Ayurveda, Yoga, Naturopathy, Unani, Siddha, and Homeopathy. With the growing consciousness about health and wellness among people, several health and wellness centres in India have come up with the notion of health management. These centres in India are working for overall mental and physical health to make India a holistic healthcare destination.

Currently, the industry comprises a range of segments - AYUSH medicines, nutrition, preventive and personalized healthcare management, workplace wellness, yoga, and fitness. Indian wellness industry is expected to grow exponentially in the coming years. The sector has a potential to generate over 3 million job opportunities. India is one of the leading exporters of Ayurveda and traditional medicines in the world.

## FACTORS MAKING INDIA AN IDEAL SPOT OF MEDICAL TOURISM

### Affordable Cost and latest Health care

- Treatment in India costs around one-tenth of that of treatment in the United States or the United Kingdom. The best cancer treatment in India can cost around 1/5th to 1/8th as compared to the developed nations.
- India as a healthcare destination also offers quality Travel & accommodation services at an affordable cost.

### World-class, standardized & Quality care

- Presence of world-class hospitals and high-skilled medical professionals with international accreditation & fluency in English.
- Most of the doctors and surgeons at Indian hospitals are trained or have worked at some of the medical institutions in the developed nations.
- India has world's best Nurses.
- Latest medical and diagnostic equipments are available at Indian hospitals.

### Quick Service

- Visa-on-arrival & e-medical visa facility has been initiated allowing foreign nationals to stay in India for short term medical treatment.
- Separate counters at major Indian airports to facilitate medical value travel in India.
- No waiting time for foreign patients in Indian Hospitals facilitating quick service.

### Post retreatment Service

- India is also providing post retreatment recovery service to foreign patients with therapies like Ayurveda, Naturopathy and Yoga.
